

# BABY BOTTLE BOOMERANG CAMPAIGN

Pregnancy Resource Center  
Athens-Nelsonville-Pomeroy

**Make Change for Life.**

Dear Friend,

This year is the 40th anniversary of Sanctity of Human Life Sunday and kicks off January 21st, 2024. In 1984, President Ronald Reagan issued a presidential proclamation designating the third Sunday of January as National Sanctity of Human Life Day. Pastors, churches and life organizations across the United States use this day to bring awareness to ending abortion.

**One of the best ways to protect unborn lives is to provide the support and resources moms and dads need to choose life!**

The PRC endeavors to carry out this mission by providing each individual accurate, evidence-based information regarding relationships, sexual health, pregnancy, pregnancy options and fetal development in a caring and confidential space. Free limited obstetrical ultrasounds that provide a window to the womb are also offered. We encourage our clients to consider adoption and parenting and we are prepared to support them in their journey through community referrals, parenting education, free maternal, infant and toddler supplies and on-going friendship and social support. And for those who are struggling with a past abortion experience, they can find reconciliation, restoration and healing through the after abortion support program by looking at the effects abortion has had on their lives. For more information about the PRC's ministry and services, please visit [www.athensprc.com](http://www.athensprc.com) and [www.prcfriendsonline.com](http://www.prcfriendsonline.com).

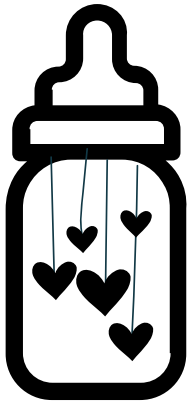

The PRC's Baby Bottle Campaign kicks off during Sanctity of Human Life Sunday. **Do you think your church family would fill bottles with spare change to help the PRC save lives through life-affirming education and medical services?** The baby bottle campaign is one of our most important fundraisers, raising an average of \$25,000 per year. **Did you know that an average baby bottle, when full of coins, provides \$25 of support?** That's enough to provide 10 women with a free pregnancy test.

The PRC will provide everything you need to make this fundraiser a success. You can participate by passing out physical baby bottles to your congregation and/or giving them information to help them participate virtually. Please give us a call at 740.566.5195, or email [casandragallagher@athensprc.com](mailto:casandragallagher@athensprc.com) to let us know how you would like to join us!

*Thank you, from the bottom of my heart, for your generous support of life!*

## What do you do with a PRC Baby Bottle?

1. Take a baby bottle home with you.
2. Fill it with coins, cash, or check.
3. See the honorarium/memorial card option.
4. Bring the baby bottle back to church.
5. The PRC will take it from there!

## Who We Are

The Pregnancy Resource Center is a non-profit, Christian organization that has been caring for our community for over 30 years. We provide compassionate and confidential education, resources and medical services to individuals and families making decisions regarding relationships, sexual health, pregnancy, and parenting.

We offer:

- Free pregnancy tests
- Free limited obstetrical ultrasound for pregnancy confirmation
- Information about pregnancy options
- Testing for sexually transmitted infections and diseases
- Free parenting education
- Free infant, toddler and maternity supplies
- Free diaper bank
- After abortion support program
- Community referrals

All of our services are free of charge, with the exception of low-cost lab fees for STI testing.

## Our Mission

To provide holistic, life-affirming, Christ-centered education, counsel, medical services, material assistance, and spiritual support to men, women, and families with sexual health, pregnancy, pregnancy loss, mothering, fathering, and other similar concerns and needs.

## Our Vision

A community equipped to make life-affirming choices.

## Our Values

Engage, Educate, Encourage, Equip, Exhibit God's Love
