BABY BOTTLE BOOMERANG CAMPAIGN

Make Change for **Life.**

The Pregnancy Resource Center is committed to providing life-affirming support, healthcare services, resources, and education to the community. Services are always non-judgmental, confidential, and free of charge (except for a low-cost lab fee for STI testing).

The PRC provides free pregnancy testing, pregnancy options information, STI testing and treatment, pregnancy confirmation ultrasound, parenting support, free diapers, infant, toddler, and maternity supplies, after abortion support, and fertility management.

Partner With Us!

Participate in the Baby Bottle Campaign! It's easy and fun for families! Just pick up a bottle (or make your own) and fill it with cash, check, or coin and return it three weeks later.

This year's event will kick-off on January 21st to celebrate the 40th annual Sanctity of Human Life Sunday.

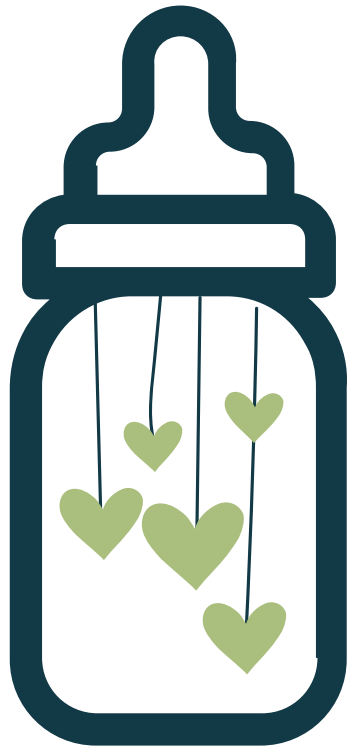

The answer to difficult circumstance is never to abandon the man, woman, or child but to surround them with the support and resources they need to thrive - to make abortion unthinkable and a society where all can live their lives abundantly.

When you participate in the Baby Bottle Campaign, YOU provide that support - YOU walk in radical solidarity with the father, mother, and child, because all are infinitely valuable.

BABY BOTTLE BOOMERANG CAMPAIGN

Make Change for **Life.**

What do you do with a PRC Baby Bottle?

- Take a baby bottle home with you today.
- Fill it with coins, cash, or check.
- See the honorarium/memorial card option.
- Bring the baby bottle back to church in four weeks.

When you participate in the Baby Bottle Campaign, YOU provide support - YOU walk in radical solidarity with the father, mother, and child, because all are infinitely valuable. Thank you and God bless!
