BABY BOTTLE CAMPAIGN

All children are intended by God.

SUGGESTIONS FOR HOSTING A SUCCESSFUL BABY BOTTLE CAMPAIGN!

- Publicize it enthusiastically before and during the campaign.
- Make the bottles conveniently available to your congregation on the day of distribution.
- Set up the display of bottles & basket on a creatively decorated (theme appropriate) table. Make sure table is not normally blocked by greeters, etc.
- Make an announcement during service(s) about the purpose/goal of the bottle fundraiser, as well as the mission/services of the Pregnancy Resource Center (PRC). *See sample promo speech included.
- Be present the day of the bottle collection (at your display), to thank all those who participated. Additional information and a PRC tour are available to all who may be interested, by contacting the PRC at 740.592.4700.
- Once collected, store the bottle donations in a "safe place" until the time of pick-up. We suggest the church office.
- Please have all bottles, the basket/cloth, and PRC sign gathered together and ready for pick-up on/before the pick-up date.
- Pastors & Liaisons - We APPRECIATE all your time and efforts in helping to protect and cherish Life. Thank You!
